

Summer Wonder Program

Summer 2019

We are excited to spend a fun-filled three weeks with your child starting Monday June 24th at G. W. Carver Elementary School

Please read the following information carefully so you are familiar with the program details.

- The program will be held on the dates of June 24th - 27th, July 8th - 11th, AND July 15th - 18th. Monday through Thursday from 8:00 am - 3:00 pm.
- Breakfast and lunch will be provided to all of the participants
- Student drop-off will begin at 7:45 am each morning, car riders cannot be dropped off prior to this time
- If your child will be a BUS rider, please have them ready for pick-up by 6:50 am on Monday June 24th, your bus stop will be similar to your regular school bus stop. This will be adjusted after the first day as routes are established and your driver will communicate those updates to you.
- Please remember students must be clothed according to the regular school uniform dress code, preferably in appropriate length shorts and closed-toed shoes as we will be walking and outside often.
- If your child has medications or inhalers needed at the program, please pick them up at your home school and bring them to G. W. Carver on the first day of the program.
- Please have your child wear the enclosed name tag to the program. It is very important as we have several sessions being held at GWC and this will allow us to identify students upon arrival and direct them to the correct location.
- Please sign and return the permission form attached with this letter on the FIRST day of the program. It is important that we have permission for them to attend field trips or they will be unable to participate in the program.

*If your summer plans change, and your child will no longer be able to attend the program, contact McKenzie Wolford (704-500-3241) as soon as possible, as we have a wait-list of students who are interested in attending.

Please don't hesitate to contact us if you have any questions or concerns!
