

North Carolina Homeless Education Program

McKinney-Vento Web Page Information Requirements

Under the ESEA reauthorization (Every Student Succeeds Act - ESSA), state homeless education programs must post on their websites links to LEAs' and charter schools' McKinney-Vento web pages along with their homeless liaison contact information.

Please be reminded that your district's McKinney-Vento web page should include the following information (at a minimum):

- Definition of the McKinney-Vento Act and who qualifies
- Parent/Unaccompanied Homeless Youth rights
- Contact information for the district liaison and State Coordinator

Each liaison is responsible for ensuring that their district's McKinney-Vento web page URL is accurate (and active) before submitting the information to NCHPEP.
