

North Carolina Homeless Education Program

AT A GLANCE: NORTH CAROLINA HOMELESS EDUCATION PROGRAM HISTORICAL DATA

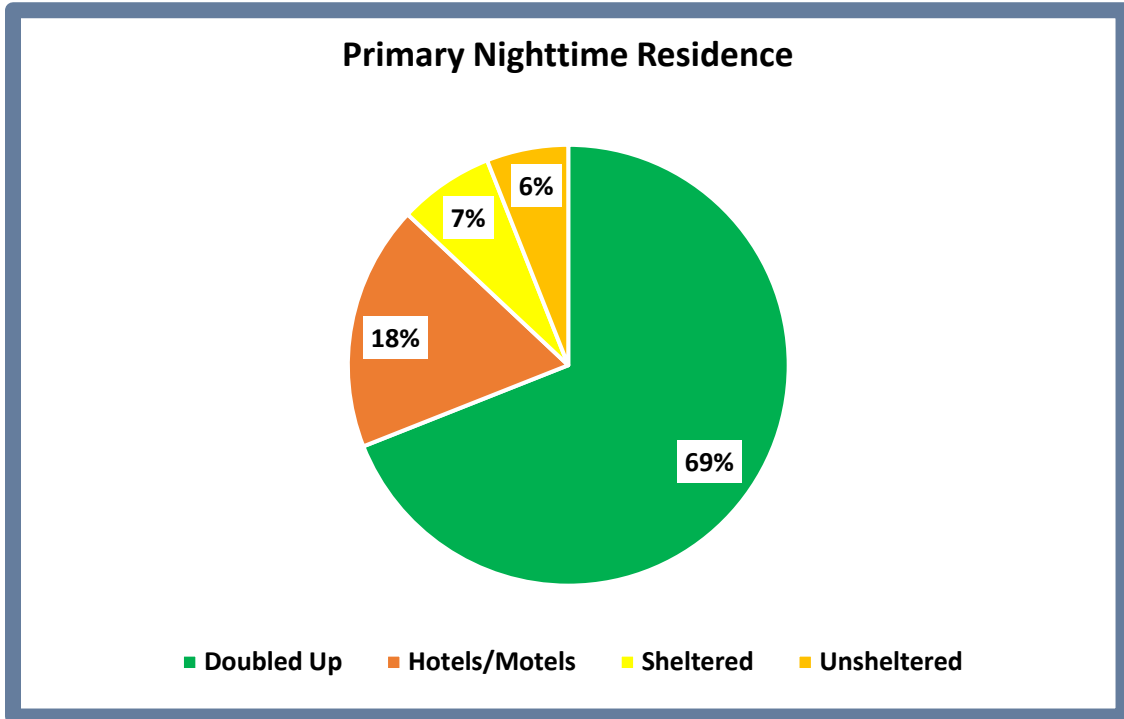

The data presented in this report represent an overview of the total number of students identified by North Carolina's Local Education Agencies as experiencing homelessness over a period of time. The information includes students' primary nighttime residence, the total number identified as unaccompanied homeless youth, and identified siblings aged 0–5 who are not enrolled in school. Additionally, the report outlines the overall four-year cohort graduation rates for students experiencing homelessness in North Carolina.

North Carolina Homeless Education Program

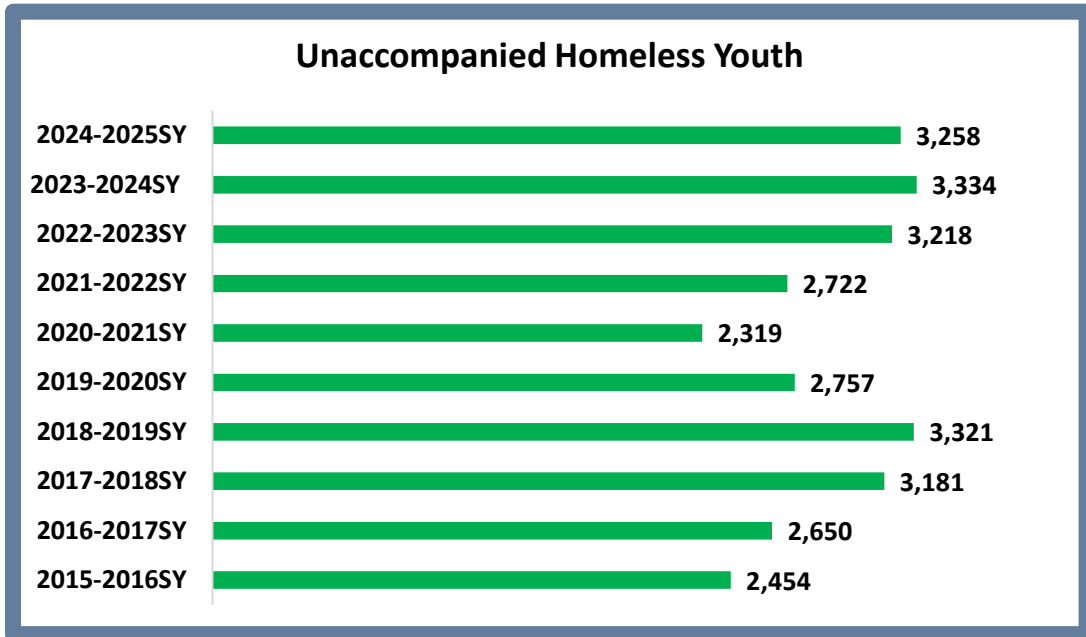

Note: Homeless student data may contain "duplicated" counts for the 2022-2023SY, 2023-2024SY and the 2024- 2025SY; meaning one or more students may be identified and served by one or more school districts. The data presented is derived from information entered into the Student Information System by the homeless liaison on an annual basis.
